Chart 1 - Bottom

With the Soft Pink yarn, start with a magic ring. Work in circular rounds, closing each round with an invisible round closure.

1- 8 sc. inside of magic ring

2- (1 wc st., 1 incT.) x4 (16)

3- 2 wc st. (1 incT., 3 wc st) x3, 1 incT. 1 wc st. (24)

7- On the wrong side of the piece, work 1 sl st. for each base st.

Fasten off.

Set the yarn aside.

Chart 2 - Lateral

The lateral of the basket uses the tapestry crochet technique. In this technique, work with 2 or more yarns in the same round, changing colors as indicated by the chart. To change colors, finish the last 2 loops on the hook with the new color, and hide the unused yarn over the previous round, weaving it between the stitches of the new color.

3- 1 sl st., 9 sc.

Continue following chart 3, working in back-and-forth rows, making the appropriate color changes.

Embroidery: Embroider the eyes with the Grey Resin yarn, and the nose with the Rose yarn. For the mouth detail, cut the Soft Pink yarn in half, following the drawing in chart 2.

Chart 4

Join the Soft Pink yarn at the top part of the basket.

1- Work 1 sl st. for each base st., working all the way around the top of the basket. Fasten off the yarn.
